STATINTL

STAT 15. [ ] - PLC) LEGISLATION [ ] OGC,  
and I discussed over the phone with Chairman Walter Flowers (D., Ala.),  
House Judiciary Subcommittee on Administrative Law and Governmental  
Relations, our problems with H. R. 11656, the Government in the Sunshine  
Act which would amend exemption (b)(3) in the Freedom of Information Act.  
Flowers said he would review this aspect carefully as he would not want  
the Act in any way to adversely affect CIA or other agencies whose infor-  
mation is protected by statute.

STAT 16. [ ] - PLC) LEGISLATION Called Bill Hogan,  
Counsel, House Armed Services Committee, and arranged for representatives  
of Personnel and Finance and me to meet with him tomorrow at 1400 hours  
to discuss the Agency's presentation at the hearing on H. R. 11088, amend-  
ments to CIARDS, on Monday, 5 April.

STAT 17. [ ] - PLC) LEGISLATION Hilda Schreiber, OMB,  
called and requested that we further conform our Act to the Civil Service  
system by including in our additional amendments to H. R. 11088, the pro-  
vision to require participants to submit in writing at the time of retirement  
a nonelection of a survivorship annuity. She advised that OMB's letter to  
the Agency objecting to the proposal for a minimum survivorship annuity is  
being finalized.

STAT 18. [ ] - THW) BRIEFING I took a call from Mary Ann  
Albertson, on the staff of Senator Dick Clark (D., Iowa), who said the  
Senator would like a briefing on Rhodesia and southern Africa for himself  
and other Senators. The briefing was set for 8 April at 8:30 a.m., will  
be off-the-record, and for Senators only. Senator Clark will invite the  
entire Senate Foreign Relations Committee plus about 15 others.  
Ms. Albertson expected to have some indication of attendees by 7 April.

STAT 19. [ ] - THW) LIAISON I took a call from Reed  
Whiting, on the staff of Representative Gillis Long (D., La.), who  
wanted to know if any U.S. groups were encouraging people to go  
to Africa to fight on the side of the guerillas against the Rhodesian  
government. I referred him to the FBI for a definitive answer.
